Summary

Hi! I'm Tim. I live in Ho Chi Minh City, Vietnam. It's a beautify city but the weather is really hot !
Currently, I'm a developer, I also a freelancer copywriter (I love to create beautiful contents and share it to everyone).
In my spare time, I love to go shopping (usually window shopping), read books, travelling, photography, and learn a new language.
By the way, If you want to learn Vietnamese, I'm kindly to help you!
One more thing!, some things I do for fun, but I have to pay the bills, so I also work for money Drop me a line if you want to hire me!
